Your EverLight is ready

1
Place it

Stand it on a shelf, desk or table in soft light. Avoid direct sun and heaters.

2
Charge it

Plug the USB-C cable into the port on the side. A phone charger works well.

3
Enjoy it

Your first Scripture appears shortly. There is nothing to press and no app to install.

> We set up your edition, your Wi-Fi and your special days before delivery, so it is ready the moment it arrives.

EVERY DAY

A quiet rhythm

7 AM
Morning verse

Scripture to start the day

1 PM
Encouragement

A kind thought, sometimes a smile

8 PM
Evening gratitude

A calm close to the day

GOOD TO KNOW

- The screen is paper-like, so it needs no light and uses very little power.
- The battery level shows in the top corner and updates once a day.
- When it asks you to charge, simply plug it in.

CARE

- Wipe gently with a dry, soft cloth.
- Do not press on the screen or open the back.
- Keep away from water, heat and direct sun.
